A person or entity owning more than one (1) condominium parcel may be designated as a voting member for each such condominium parcel which he or it owns. Failure by all members of any single condominium parcel to file the aforementioned written sworn statement with the Secretary prior to a members' meeting will result in depriving such owners of a single condominium parcel of a vote at such meeting.

R. All the affairs, policy, regulations and property of the Association shall be controlled and governed by the Board of Directors of the Association consisting of not less than five (5) members and not more than seven (7) voting members who are all to be elected annually by the voting members.

Where the mortgagee of a first mortgage of record, or the purchaser or purchasers of a condominium parcel obtains title to the condominium parcel as a result of foreclosure of the first mortgage, or by voluntary conveyance in lieu of such foreclosure, said mortgagee shall not be liable for the shares of common expenses or assessments by the Association pertaining to such condominium parcel or chargeable to the former owner of such condominium parcel which became due prior to acquisition of title by said mortgagee as a result of the foreclosure or voluntary conveyance in lieu of said foreclosure. Such unpaid share of common expenses or assessments shall be deemed to be common expenses collectable from all of the owners of condominium parcels, including such acquiror, his successors and assigns.

(3) All incidental damage caused to a unit by such work shall be promptly repaired at the expense of the Association.

(b) BY THE CONDOMINIUM PARCEL OWNER: The responsibility of the condominium parcel owner with the exception of those responsibilities for management as provided for by the Association with Coral Management Co., Inc., in accordance with the Maintenance Agreement attached hereto as Exhibit "B", shall be as follows:

16. ENFORCEMENT OF MAINTENANCE: In the event the owner of a unit fails to maintain it as required above, the Association or any other unit owner shall have the right to proceed in a court of equity to seek compliance with the foregoing provisions; or the Association shall have the right to assess the unit owner and the unit for the necessary sums to put the improvement within the unit in good condition. After such assessment, the Association shall have the right to have its employees or agents enter the unit and do the necessary work to enforce compliance with the above provisions; however, any lender or owner in the event the Association fails to comply with the terms and conditions of this Declaration or its Articles of Incorporation and By-Laws may apply to a court of competent jurisdiction for the appointment of a Receiver for the purpose of carrying out the terms and conditions required to be performed by the Association.

17. INSURANCE: The insurance, other than title insurance, including that provided for in the Maintenance Agreement attached as Exhibit "B", which shall be carried upon the condominium property and the property of the condominium parcel owners shall be governed by the following provisions:

(a) All insurance policies upon the condominium property shall be purchased by the Association for the benefit of the Association and the condominium parcel owners and their mortgagees, as their interests may appear, and provisions shall be made for the issuance of certificates of mortgagee endorsements to the mortgagees. Condominium parcel owners may obtain insurance coverage at their own expense upon their own personal property and for their personal liability and living expense.

(b) COVERAGE:

(1) CASUALTY: All buildings and improvements upon the land and all personal property included in the condominium property, other than personal property owned by condominium parcel owners, shall be insured in an amount equal to the maximum insurable replacement value, excluding foundation and excavation cost. Such coverage shall afford protection against loss or damage by fire and other hazards covered by a standard extended coverage endorsement and such other risks as from time to time will be customarily covered with respect to buildings similar in construction, location and use as the buildings on said land, including, but not limited to, vandalism and malicious mischief.

(2) PUBLIC LIABILITY: Public liability in such amounts and with such coverage as shall be required by the Board of Directors of the Association, including, but not limited to, hired automobiles and non-owned automobile coverages and with cross liability endorsements to cover liabilities of the condominium parcel owners as a group to a condominium parcel owner.

(3) WORKMEN'S COMPENSATION: Workmen's compensation to meet the requirements of law.

(c) Premiums upon insurance policies purchased by the Association shall be paid by the Association and charged to the general expense account.

(d) All insurance policies purchased by the Association shall be for the benefit of the Association and the condominium parcel owners and their mortgagees, as their interests may appear, and shall provide that all proceeds covering casualty losses shall be paid to the Association. Proceeds on account of damage to common elements shall be held as property of the condominium parcel owners in accordance with the percentages herein specified.

(e) In the event a loss occurs to any improvement within any of the units alone, without any loss occurring to any of the improvements within the common elements, payment under the insurance policies shall be made to the condominium parcel owners owning such units and their mortgagees, if there be mortgagees on said units, as their interests may appear, and it

shall be the duty of those condominium parcel owners to effect the necessary repairs to the improvements within their respective units.

(f) In the event that loss occurs to improvements within units and the contiguous common elements, or to improvements within the common elements alone, payment under the insurance policies shall be made jointly to the Association and the holders of mortgages on the units, and the proceeds shall be expended or disbursed as follows:

(1) If the mortgagees agree, all payees shall endorse the insurance company's check to the Association and the Association will promptly contract the necessary repairs to the improvements within the common elements and within the damaged units. In the event the insurance proceeds should be sufficient to repair all of the damage within the units, but insufficient to repair all the improvements within the common elements, the proceeds shall be applied first to completely repair the damage within the units and the balance of the funds shall be apportioned to repair improvements within the common elements, and the condominium parcel owners shall be subject to a special assessment and shall contribute to the Association the remaining funds necessary to repair and restore the improvements within the common elements.

(2) In the event all mortgagees do not agree to the endorsement of the proceeds as provided in paragraph 17 (f)(1) above, all payees shall endorse the insurance company's check to the institutional first mortgagee owning and holding the oldest recorded mortgage encumbering any unit, which mortgagee shall hold the insurance proceeds in escrow and the escrow agent (should there be no such institutional first mortgagee or none with legal capacity to perform such escrow, then the payees shall endorse the insurance check to the Association, as escrow agent) shall disburse the funds as follows:

(aa) In the event any institutional first mortgagee demands application of insurance proceeds to the payment of its loan, the escrow agent shall distribute such proceeds jointly to the respective unit owners sustaining damages and their mortgagees, as their interests may appear in accordance with the damage sustained by each unit and in relation to the total damage claim and the amount of insurance funds available.

(bb) In the event the insurance proceeds are sufficient to rebuild and reconstruct all the damaged improvements within the common property and within the units, and provided all institutional first mortgagees, if any, agree in writing to such application of the insurance proceeds to this purpose, the improvements shall be completely repaired and restored. In this event, the Association shall negotiate and obtain a contractor willing to do the work on a fixed price basis and who shall post a performance bond and the escrow agent shall disburse the insurance proceeds and other funds held in escrow in accordance with the progress payments contained in

the construction contract between the Association and the Contractor, which contract shall be subject to the prior written approval of the escrow agent.

(cc) In the event institutional first mortgagees unanimously agree to have the insurance proceeds applied to reconstruction, but the insurance proceeds are not sufficient to repair and replace all of the improvements within the common elements and within the units, a membership meeting shall be held to determine whether or not to abandon the condominium project or to levy a uniform special assessment against each unit and the owners thereof as their interests appear, to obtain the necessary funds to repair and restore the improvements within the common elements and the units, provided that the insurance funds available be applied first to repair the units damaged and such assessment shall be only for or on account of repairs to the common elements. In the event the majority of the voting members vote in favor of the special assessment, the Association shall immediately levy such assessment and the funds received shall be delivered to the escrow agent and disbursed as provided above. In the event the majority of the voting members are opposed to the special assessment and 100% vote for abandonment of the condominium project, the insurance proceeds shall be disbursed in accordance with the percentages allocable to each unit as per paragraphs 8 and 9 of this Declaration of Condominium, and the condominium project may be terminated as provided for in paragraph 21 hereinafter.

(g) If there has been loss or damage to the common elements and the insurance proceeds available are inadequate to repair and reconstruct same and all of the units, and if the majority of the voting members vote against levying the special assessment referred to above, and 100% vote to abandon the condominium project, same shall be abandoned subject to the provisions of paragraph 21 hereinafter. As evidence of the members' resolution to abandon, the President and Secretary of the Association shall effect and place in the public records of Pinellas County, Florida, an affidavit stating that such resolution was properly passed, to which a copy of the consent of the unit owners and holders of all liens shall be affixed.

(h) Under all circumstances, the Association hereby has the authority to act as the agent of all owners for the purpose of compromising or settling insurance claims for damage to improvements within units or common elements, subject to the approval of any mortgagees of the premises damaged.

18. CONVEYANCES, SALES, RENTALS, LEASES AND TRANSFERS: In order to insure a community of congenial residents and thus protect the value of the units, the sale, ~~leasing, rental and~~ transfer of units by any owner other than Developer shall be subject to the following provisions:

(a) CONVEYANCES, SALES AND TRANSFERS: Prior to the sale, conveyance or transfer of any condominium parcel to any other person other than transferor's spouse, the owner shall notify the Board of Directors of the Association and Coral Management Co., Inc., in writing, of the name and address of the person to whom the proposed sale, conveyance or transfer is to be made, and such other information as may be required by the Board of Directors of the Association and Coral Management Co., Inc. Within fifteen (15) days, the Board of Directors of the Association and Coral Management Co., Inc. shall either approve or disapprove a proposed sale, transfer or conveyance, in writing, and shall notify the owner of their decision. In the event the Board of Directors of the Association or Coral Management Co., Inc. fail to approve or disapprove a proposed sale within said fifteen (15) days, the failure to act as aforesaid shall be considered approval of the sale.

In the event the Board of Directors of the Association and Coral Management Co., Inc. disapprove the proposed sale, conveyance or transfer, he shall, thirty (30) days before such sale, conveyance or transfer, give written notice to the Secretary of the Association and Coral Management Co., Inc. of his intention to sell, convey or transfer on a certain date, together with a copy of the contract setting forth the terms thereof and price; said price, however, shall not exceed the fair market value of said condominium unit. If a dispute arises as to the definition of fair market value, it shall be resolved as provided for hereinafter. The Association and Coral Management Co., Inc. shall promptly notify the members of the Association of the date, price and terms. Any member of the Association or Coral Management Co., Inc. shall have the right first over the prospective purchaser to accept such sale or transfer on the terms contained in the notice, provided that he shall so notify the Secretary of the Association or Coral Management Co., Inc., in writing, of the acceptance, at least fifteen (15) days before the date of the intended sale or transfer, and deposit with the Secretary of the Association or Coral Management Co., Inc., ten per cent (10%) of the purchase price as a good faith deposit, which information and notice of deposit the Association or Coral Management Co., Inc., shall promptly forward to the owner. In the event no members of the Association or Coral Management Co., Inc., accept first right of purchase as aforescribed, then the Association and/or Coral Management Co., Inc., must either approve the transaction or furnish a purchaser approved by the Association and/or Coral Management Co., Inc. who will accept the transaction upon the terms and conditions contained in the notice, provided the Association and/or Coral Management Co., Inc., at least ten (10) days before the date of the intended sale or transfer notifies the owner that a purchaser has been furnished and that said purchaser has deposited ten per cent (10%) of the purchase price with the Association or Coral Management Co., Inc., as a good faith deposit for the intended sale. In the event the member giving notice received acceptances from more than one (1) member,

it shall be discretionary with the member giving notice to consummate the sale or transfer with whichever of the accepting members he chooses.

In the event the member giving notice receives no written notice from any member of the Association or Coral Management Co., Inc., accepting the price and terms of the proposed sale or transfer on or before ten (10) days before the date given in the notice as the date of sale or transfer, then that member may complete the sale or transfer on the day and at the price and the terms given in his notice, but on no other day or at no other price or terms without repeating the procedure outlined above. In the event the member makes a sale or transfer without first complying with the terms hereof, any other member or Coral Management Co., Inc., shall have the right to redeem from the purchaser, according to the provisions hereof. The said redemption rights shall be exercised by reimbursing the purchaser for the monies expended as shown on the contract for purchase of a condominium unit, which shall not exceed the fair market value, and immediately after such reimbursement, said purchaser or transferee shall convey all his right, title and interest to the member or Coral Management Co., Inc. making the redemption.

An affidavit of the Secretary of the Association stating that the Board of Directors of the Association and Coral Management Co., Inc., approved in all respects on a certain date, the sale or transfer of a condominium parcel to certain persons, shall be conclusive evidence of such fact, and from the date of approval as stated in the affidavit, the redemption rights herein afforded the members shall terminate.

An affidavit of the Secretary of the Association stating that the Board of Directors of the Association and Coral Management Co., Inc., were given proper notice on a certain date of a proposed sale or transfer and that the Board of Directors of the Association and Coral Management Co., Inc., disapproved or failed to act on such proposed sale or transfer, and that thereafter, all the provisions hereof which constitute conditions precedent to a subsequent sale or transfer of a condominium parcel have been complied with and that the sale or transfer of a particular condominium parcel to a particularly named person does not violate the provisions hereof, shall be conclusive evidence of such facts for the purpose of determining the status of the persons' title to such condominium parcel sold or transferred. Such affidavit shall not be evidence of the fact that the subsequent sale or transfer to such persons was made at the price, terms and on the date stated in the notice given to the Secretary, but one hundred eighty (180) days after the date of the notice to the Board of Directors of the Association and Coral Management Co., Inc. as stated in the affidavit, the redemption

rights herein afforded the members and Coral Management Co., Inc., shall terminate.

In case of the death of the owner of a condominium parcel, the surviving spouse, if any, and if no surviving spouse, the other member or members of such owner's family residing with the owner at the time of his death, may continue to occupy the said condominium parcel; and if such surviving spouse or other member or members of the decedent owner's family shall have succeeded to the ownership of the condominium parcel, the ownership thereof shall be transferred by legal process to such new owner. In the event said decedent shall have conveyed or bequeathed the ownership of his condominium parcel to some designated person or persons other than the surviving spouse or members of his family as aforescribed, or if some other person is designated by such decedent's legal representative to receive the ownership of the condominium parcel, or under the laws of descent and distribution of the State of Florida, the condominium parcel descends to some person or persons other than his surviving spouse or members of his family as aforescribed, the Board of Directors of the Association and Coral Management Co., Inc. shall, within thirty (30) days of proper evidence of rightful designation served upon the President or any other officer of the Association and Coral Management Co., Inc., or within thirty (30) days from the date the Association and Coral Management Co., Inc. are placed on actual notice of said devisee or descendant, express their refusal or acceptance of the individual or individuals so designated as owner or owners of the condominium parcel. If the Board of Directors of the Association and Coral Management Co., Inc. shall consent, in writing, ownership of the condominium parcel may be transferred to the person or persons so designated, who shall thereupon become the owner of the condominium parcel, subject to the provisions of this enabling Declaration and the By-Laws of the Association. If, however, the Board of Directors of the Association and/or Coral Management Co., Inc. shall refuse to consent, then the members of the Association and Coral Management Co., Inc., shall be given an opportunity during thirty (30) days next after said last above mentioned thirty (30) days to purchase, for cash, the said condominium parcel at the then fair market value thereof.

In the event a dispute arises as to what should be considered the fair market value of a condominium parcel as provided for herein, then the time requirements for approval or disapproval of a proposed sale and other notice requirements as set forth herein in this paragraph 18 shall be abated until a final decision has been made by an Appraiser appointed by the Senior Judge of the Circuit Court in and for Pinellas County, Florida, upon ten (10) days notice on petition of any party in interest. The expense of appraisal shall be paid by the Seller or the legal representative of the Seller out of the amount realized from the sale of such condominium parcel. In the event the then members of the Association and/or Coral Management Co., Inc. do not exercise the privilege of purchasing said condominium parcel within such period and upon such terms, the person or persons so designated may then, and only in such event, take title to the condominium parcel; or such person or persons or the legal representative of the Seller may sell the said condominium parcel, but the sale shall be subject in all other respects to the provisions of this enabling Declaration and the By-Laws of the Association.
